2-2-2	Out-of-town call. All firemen to report to station.
1-1	All-out signal.
2	Blasts at 7:30 a.m., no school all day.
2	Blasts at 11:30 a.m., no afternoon session.
2	Blasts at 7:30 p.m., Fire Department meeting.
1	Blast, water to be shut off in thirty minutes.

Notice

Brush fire, chimney fire, and all outside fire alarms are to be telephoned to the Alton operator, who will sound the proper alarm, and notify the proper authorities. This will be done by means of a control box now in the central office. State clearly the nature, extent and location of the fire. By complying with the above much time and property may be saved.

INSTRUCTIONS FOR OPERATING A BOX

Opening a box does not sound alarm: Pull down handle. Anyone sounding alarm to remain at box to direct firemen. Second alarm to be sounded by order of the chief engineer only. Test alarm every day at 12:45. Do not sound alarm unless necessary.

Budget Committee

Alton Town Warrant
State of New Hampshire

To the Inhabitants of the Town of Alton, in the County of Belknap, in said State, qualified to vote in town affairs:

You are hereby notified to meet at the Town Hall in said town on Tuesday, the fourteenth day of March next, at nine o'clock in the forenoon, to act upon the following articles:

1. To choose all necessary Town Officers for the ensuing year, and to elect a Selectman for three years, one Library Trustee for three years, one Water Commissioner for three years, and one Fire Ward for three years.
You are also notified to meet at the said Town Hall at seven thirty o'clock in the evening on the same date to act upon the following articles:

2. To see what sum of money the town will vote to raise and appropriate to pay all necessary charges of the town for the ensuing year.

3. To see if the town will vote to raise and appropriate a sum not to exceed \$8,500.00 for the purpose of rebuilding and resurfacing with Tarvia the town gravel roads, so-called, and to authorize the Selectmen to borrow against the credit of the town, the said amount on long term notes or bonds.

4. To see what sum of money the town will vote to raise and appropriate for the repairs of highways and bridges for the ensuing year in addition to that required by law.

5. To see what sum of money the town will vote to raise and appropriate for the removal of snow from the town highways for the ensuing year.

6. To see what sum of money the town will vote to raise and appropriate for the purchase of tarvia and application of same.

7. To see if the town will vote to raise and appropriate the sum of \$1,416.59 provided the State will contribute the sum of \$9,443.90 for Class V roads, so-called.

8. To see if the town will vote to authorize the Selectmen to borrow monies in anticipation of Taxes.

9. To see what sum of money the town will vote to raise and appropriate for the maintenance of the Public Library.
10. To see what sum of money the town will vote to raise and appropriate for patriotic exercises on Independence Day.
11. To see what sum of money the town will vote to raise and appropriate for the decoration of Soldier's graves.
12. To see if the town will vote to raise and appropriate the sum of \$782.48, which is 1/100 of 1% of the assessed valuation of the town, to the Lakes Region Association for the purpose of publicizing and promoting the natural advantages and resources of the town in cooperation with other towns in the Lakes Region.
13. To see if the town will vote to raise and appropriate the sum of \$1,200.00 to the Alton-Alton Bay Chamber of Commerce for the purpose of publicizing and promoting the natural advantages and resources of the town.
14. To see if the town will vote to raise and appropriate the sum of \$250.00 for spraying trees along the town highways.
15. To see if the town will vote to raise and appropriate the sum of \$200.00 to be expended under State supervision for the control of White Pine Blister Rust.
16. To see if the town will vote to raise and appropriate the sum of \$550.00 for the control of the Dutch Elm Disease.
17. To see if the town will vote to raise and appropriate the sum of \$250.00 for the support of the Laconia Hospital at Laconia, New Hampshire.
18. To see if the town will vote to raise and appropriate the sum of \$500.00 for the support of the Huggins Hospital at Wolfeboro, New Hampshire.
19. To see if the town will vote to raise and appropriate the sum of \$500.00 for a contribution to the Lakes Region General Hospital Building Fund at Laconia, New Hampshire. (By Request)
20. To see if the town will vote to raise and appropriate the sum of \$275.00 in support of the Lakes Region Mental Health Clinic at Laconia, New Hampshire. (By Request)

21. To see if the town will vote to raise and appropriate the sum of \$2,000.00 for a public health nurse.
22. To see if the town will vote to raise and appropriate the sum of \$8,200.00 for Parks and Playgrounds including Band Concerts.
23. To see if the town will vote to raise and appropriate the sum of \$16,000.00 for the purchase of a new loader and to authorize the Selectmen to borrow the above sum of money against the credit of the town on long term notes.
24. To see if the town will vote to raise and appropriate the sum of \$1,300.00 for the purchase of a Sweeper.
25. To see if the town will vote to raise and appropriate the sum of \$5,500.00 for the purchase of a new truck and to authorize the Selectmen to borrow the sum of \$3,500.00 against the credit of the town on long term notes.
26. To see if the town will vote to raise and appropriate the sum of \$1,600.00 for the purchase of a Police Cruiser.
27. To see if the town will vote to establish the boundary lines of the so-called George Boudreault estate, located on Alton Mountain, and to be publicly advertised to be sold under sealed bids to the highest bidder within one year. (By petition).
28. To see if the town will vote to raise and appropriate the sum of \$100.00 for Civil Defense.
29. To see if the town will vote to raise and appropriate the sum of \$5,720.00 as a salary for the bookkeeper.
30. To see if the town will vote to raise and appropriate the sum of \$6,945.00 as salaries for the persons on duty as operators of the town Fire and Police telephones.
31. To see if the town will vote to raise and appropriate the sum of \$200.00 for Soil Survey to be conducted by the County Extension Service, Department of Agriculture, University of New Hampshire.
32. To see if the town will vote to purchase the Walley land for the sum of \$1.00.

33. To see what action the town will take for the removal and disposal of trash and garbage collection for the town of Alton.
34. To see if the town will vote to authorize the Selectmen to appoint the Highway Agent.
35. To see if the town will vote to accept the master plan of the town prepared by Klunder Associates.
36. To hear the reports of agents, auditors, committees or officers hereinbefore chosen and to pass any vote relating thereto.
37. To transact any other business that may legally come before said meeting.

Given under our hands and seal this twenty-seventh day of February, 1967.

Fire Record

Fire records are made by people — those who cause fires and those who control them. Your forest fire warden, deputy wardens, fire chief and firemen have, in spite of a prolonged drought, made one of the best fire control records in recent years. Despite a very dry spring, we in New Hampshire working together, have substantially reduced our fire incidence (885 in 1965 to 595 in 1966.)

This enviable record is largely due to two factors:

1. A closely coordinated and integrated state-town organization jointly carrying out programs of forest fire prevention, training and suppression with dedicated personnel.
2. Your appreciation of our forest fire control program and your individual effort in practicing fire prevention.

Statistics show, however, there is room for improvement. Major problems are still with us; (1) the careless disposal of cigarettes; (2) the householder's carelessness in burning rubbish; (3) the failure of woodlot owners and contractors to completely extinguish their brush burning fires; (4) failure to extinguish camp fires; (5) unsupervised children playing with matches.

New Hampshire has 4,339,000 acres of woodland to be protected. In 1966 we experienced 595 forest fires on this area and restricted acreage burned to 395 acres — a fine testimonial to the efficiency and dedication of the men who make up our forest fire control organization.

1. If you must burn you will need a permit. Permits are not issued between 9:00 a.m. and 5:00 p.m. except on rainy days. Permits are not needed when the ground is covered with snow. To minimize risk the best way to dispose of rubbish is at your authorized town or municipal dumping area.
2. Be sure all discarded smoking material is out.
3. Don't leave a live camp or cooking fire.
4. Most important — Instruct your children that matches are not play things.

TRULY — ONLY YOU CAN PREVENT FOREST FIRES

POLICE CHIEF'S REPORT

Alton Police Department for 1966

Summary of Activities for 1966:

Parking Violations	36
Buildings Checked	7879
D.E. Tags Issued	25
Animals Killed	5
Accidents Reported at Station	115
Dog Complaints	76
Summons Issued	96
Warnings Given	216
Complaints Answered	226
Aid to Other Departments	177
Messages	81
Calls for Ambulance	86
Suicide Attempts	1
Suicides	1
Reports of Animals Killed or Hit	2
Fires	12
Aid to Individuals	222
Report of St. and Traffic Lights Out	10
Special Officer Assignments	337
No. of B.E. and L.	59
Doors Unlocked	13
Cars Checked	707

During the year of 1966 there were 115 accidents reported to the Police and 83 accident reports filed, the balance being of minor nature where there was no personal injury or property damage. Following is a breakdown of the general location of the accidents and the number of accidents.

Route No. 11	30
Route No. 11A	3
Route No. 28	17
Route No. 28A	3
Route No. 140	3
Intersections	4
Other Locations	23
Total	83

Number of Vehicles involved:

One Vehicle accidents	44
Two Vehicle accidents	38
Three Vehicle accidents	1

Total 83

Injuries Reported:

To Operators of Vehicles	10
To Passengers of Vehicles	20
To Pedestrians	2

Total 32

Fatals 1

Age Group of Operators involved in Motor Vehicle Accidents:

Number of Male Operators 25 years and under	36
Number of Male Operators 26 years to 69	41
Number of Male Operators 70 years and over	4
Number of Female Operators 25 years and under	5
Number of Female Operators 26 years to 69	14
Number of Female Operators 70 years and over	2

Accidents reported above Include:

Bicycle - Truck Accident	1
Car Burned	1

Ambulance: In 1966 there were 86 calls for ambulance service. We were required to make 69 trips with patients. On 17 calls it was unnecessary to move the patients for various reasons.

Cruiser - Ambulance	62 trips	2524 miles
White Ambulance	1 trip	32 miles
Private Cars	66 trips	176 miles

Totals	69 trips	2732 miles
Total man hours for ambulance service		188 hours

Cruiser:

Day use, miles operated	12209 miles
Night use, miles operated	32651 miles

Total 44860 Miles

Average miles operated per month 3738 miles

Again, I would like to take this opportunity to thank all other City, County, and State Law Enforcement Departments for their Aid, Help and Cooperation, also all other individuals that have aided us during the year 1966.

Respectfully submitter,

KELLY C. BROWN
Chief of Police

This Annual Report has been checked by your duly elected auditors and is correct according to my best knowledge and belief.

In conclusion, may I say to the tax-payers and residents of this fine Town in which we live, that my endeavors have been directed to those interests which may have promoted progress and perhaps a measure of service to the Community.

Respectfully submitted

Raymond C. Duncan

ALTON WATER WORKS REPORT

1966

Your Water Works took over the Water System serving the Alton Bay Campmeeting Ass'n. during the summer as authorized at the March — 1966 Town Meeting. We have repaired a few breaks and weak areas in the system, improved the feed for their summer lines from our main and installed a new Gate Valve in their cast iron main so this can be left on in the Winter keeping the hydrant in the center of the Grounds in use the year around. We have the pipe on hand to winterize the pipe on Upper Bay Street this Spring. Several cottages will be served from our existing main pipes this Spring to eliminate several existing Summer lines on the Grounds.

Our Main pipe on Rte. 28 has been extended to serve the new Aetna Eng'r. Co. building being erected there.

The new extensions voted at the Special Meeting in the Fall are under construction. The Winter line to the Gray Owl is in use; The hydrant near Kelley Brown's residence is in Service and the line and hydrant to the Oak Birch Inn area will be completed in January (weather permitting).

Most of the materials for the extension on Rte. 140 have been purchased and will be installed in the Spring when the State of N.H. has agreed to draw the water down in the River.

The wells, pumps and system are all working well with no apparent serious problems.

William Heidke, Clerk
Harvey Woodman, Chairman
Herbert Card, Superintendent

INFORMATION BOOTH

Labor Day 1966 completed the 11th season the Information Booth has been in operation.

Typical of reports from many areas and the Department of Resources and Economic Development in Concord, the season was considered the most successful in years, due largely to the ideal vacation weather.

More than 4000 people registered from Memorial weekend until Labor Day.

Many of the requests were for accommodations, particularly during the height of the vacation season. However, the majority of them were interested in obtaining other information, some quite ordinary, some unique, but all important to the tourist or vacationer.

To give cheerful assistance to everyone whenever possible to such an extent that he will want to return to Alton Bay for a vacation is the earnest desire of the attendants.

The Expo 67, held this year in Montreal, Canada, should give Alton another good year.

We sincerely hope so.

Respectfully submitted
Gladys Howe
Secretary

RECREATIONAL PROGRAM

The Recreational Program, sponsored by the Town of Alton had a very successful summer.

The program was held for five weeks, through the month of July from ten to three.

Under the direction of Gerine Piper, and the assistance of Rosina Wallace (adult helper), and Gayle Stevens (student helper), the morning hours were devoted to organized, supervised play.

Monday and Wednesday were general play days. Tuesday was nature day and Thursday was arts & crafts day. On Friday there were various trips.
was arts & crafts day. On Friday there were various trips.

On nature day the children went on hikes. They hiked Lily Pond road, an old Indian trail, Meadow Dam trail, and Mt. Major.

The trips that were taken included the Fish Hatchery in New Durham; Ellacoya State Park; Steam Village in Gilford; Animal Forest Park at the Weirs; roller-skating at the Bay; and on the last day a cookout at White Lake State Park.

Each afternoon at one the children were transported to Half Moon Pond where they could swim until three.

Swimming instruction by a qualified Red Cross instructor was available to all who were interested. This instruction covered a two week period.

Any Alton child within the age of six through twelve was eligible to participate in the activities. Younger children, if accompanied by their parents, and older boys and girls, could take advantage of the Red Cross swimming lessons.

In the future as well as the past, parents are cordially invited to visit and watch the activities held at the Alton school grounds in the morning or at Half Moon Pond in the afternoon.

Your interest has been greatly appreciated.

Respectfully submitted,

Gerine Piper, Director

Parks & Playgrounds Committee Report

The purpose of the Parks & Playgrounds Committee is to assist the Selectmen and the Superintendent of Public Works in planning and preparing work and budgets for the various functions of the department.

Two seawalls were completed in 1966, one at the Bay Beach (East), and one at the Public Docks (West). It is planned to install a guard rail on the wall at the Bay Beach area, and provide several picnic tables. The Barbershopper Jamboree Committee donated funds for this project and has made a great improvement to this area. The Committee has been requested that the Area be named "Harmony Park" in their honor.

The Committee has recommended to the Selectmen that the West Alton Beach Area be surveyed, bounds set, and planned improvements be made early in 1967.

The Committee wish to thank the Alton School Students and Mrs. Marion McDonald, School Board Member for their time donated for rehearsals and their fine Sunday Night Band Concerts during the Summer. The School and Community Band was under the direction of Mr. Ray Ladieu of Laconia, who also donated much of his time to this program. Five Sunday night band concerts have been recommended for 1967.

Three Wednesday night Street Dances were held at the Band Stand and were enjoyed by several hundred children and adults. The Wednesday night program will be continued in 1967 with five programs.

The Summer Recreation Program was directed by Miss Gerine Piper. This program will be continued in 1967 and as in the past, both summer and year round property owners may register their children in this well conducted program.

The Committee has been requested to make additions to the Winter Recreation Program. This includes ten bus trips to the Gunstock Ski Area for school and seasonal property owners' children, and improvements to the Ice Skating Rink Area at the rear of the Town Hall.

The Committee recommends that the Town should consider acquiring additional shore property on Lake Winnepesaukee and some of the smaller ponds that do not presently have public access. Public access to lakes and ponds will add much to the desirability to the back land, and will help boost our continued growth in the future.

The Parks and Playgrounds Committee wish to thank, Parks Custodian, Bert Messer, Col. Rockwell Clough (former Super-

intendent of Public Works) and Cdr. Robert D. Copeland, Jr., Superintendent of Public Works, for their cooperation, advice and assistance in the past.

The Committee would appreciate recommendations as well as criticisms on any matters that pertain to this department from the citizens of Alton.

Respectfully submitted

Parks & Playgrounds Committee

Harold Prime, Chairman
Richard Downing, Clerk
Robert Jones
Ernest Batchelder
Francis J. McGrath

Report of the Superintendent of Public Works

On 6 June 1966 I reported to the Selectmen, Town of Alton, New Hampshire, for duty as the Superintendent of Public Works. The duties are primarily management and supervision of the Highway Department; the maintenance of public cemeteries and the town dump; responsibility to the Parks and Playgrounds Committee for the maintenance and operation of the Parks and Playgrounds facilities; responsibility to the Water Commissioners for the incorporation of sound engineering and business practices. The Superintendent of Public Works has direct supervision of the Cemetery custodian, Parks and Playgrounds custodian, and Town dump custodian, and approves for payment, bills submitted by the above Departments.

Town Road Aid

State Contributed	\$8,929.00	
Town Appropriated	1,339.36	\$10,268.36

Expenses were as follows:

Old Wolfeboro Road — 2850 feet surfaced with Farmer's Mix	\$1,908.80
Lily Pond Road — 525 feet new road construction and surfaced with Farmer's Mix	4,125.43
Stockbridge Corner Road — 2125 feet widened, drained	

and graded; 650 feet widened and drained	3,924.17	9,958.40
Unexpended	\$	309.96

The unexpended balance of \$309.96 will be retained for continuing the work on Stockbridge Corner Road. Of the \$9,958.40 spent under TRA last year, the town received for use of its labor and equipment \$3,985.33. \$2,121.64 was reimbursement for town labor and \$1,863.69 to apply against revenue for rental of town highway equipment and general expenses for equipment repairs.

Town Road Program

Carried over from last year	\$2,000.00	
Town appropriated	6,500.00	\$8,500.00

Expenses were as follows:

Alton Mountain Road — from corner gate 2,700 feet widened and graded	\$2,608.61	
From 2,700 ft. mark — 1,100 ft. surveyed, cleared, excavated, widened, drained and graded	4,053.05	6,661.66
Unexpended		\$1,838.34

The unexpended balance of \$1,838.34 will be retained for continuing the work on Alton Mountain Road.

Tar Program

Town Appropriated	\$3,000.00
-------------------	------------

Expenses were as follows:

Farmer's Mix	Length	Sq. Yds.	
Depot Street	775'	1,553	\$449.66
Cold Patched and Seal Coat			
Alton Mountain Road	10,500'	22,267	942.36
Drew Hill Road	2,000'	4,000	250.74
Echo Point Road	1,100'	2,200	158.99
Chestnut Cove Road	3,825'	6,800	287.88
Graded, Penetration and Seal Coat			
Wolfeboro Hill and misc. areas.	1,584'	2,816	594.53
Miscellaneous expense			86.34
Unexpended		\$	229.50

Non-Public Roads and Private Work

This work includes the grading, repairs, and tarvia on non-public roads, miscellaneous private work, and snow plowing for these roads and private driveways. The cost to the individual or association is nominal to cover labor and a small rental fee for highway equipment. Any surplus is returned to the Highway Department to supplement expenses.

Receipts

Non-Public roads and private work	\$10,099.62
From State of New Hampshire for plowing snow	519.10
	<hr/>
	\$10,618.72

Expenditures

Tarvia program on non-public roads	\$3,194.64	
Grading, repairs and miscellaneous private work	2,595.59	
Plowing snow on non-public roads	2,044.24	
Plowing snow for State of N. H.	215.45	8,049.92
	<hr/>	<hr/>
Surplus		\$ 2,568.80

General Expense Highway Department

Town Appropriated	\$14,000.00
-------------------	-------------

Expenses were as follows:

Outside labor and material costs for repairs to equipment	\$4,155.66	
Highway Department payroll costs for town labor on equipment	2,538.11	
Services (gas, elec., etc.)	3,063.14	
Materials and supplies	4,460.64	
Miscellaneous expense	125.31	\$14,342.86
	<hr/>	<hr/>
Overdraft		\$ 342.86

Dust Control

The town spent \$376.00 for 4,700 gallons of waste oil to control dust on approximately four (4) miles of dirt roads. The oil was intermittently spread near the homes of permanent and summer residents located by the dirt roads.

Control of Diseased Trees

Of the \$550.00 appropriated for prevention of Dutch Elm

Disease, \$309.06 was spent in removal of fifteen (15) large trees and numerous clumps of smaller trees. The \$200.00 appropriated for control of White Pine Blister was paid to the State of New Hampshire for spraying of trees in this area.

Church Street Project

350 feet on the north side of Church Street between Adams' and Blanchard's driveways was widened fifteen feet and this area graveled, graded and hot topped. Included was a three (3) foot sidewalk with a neight (8) inch curb and two (2) catch basins to insure proper drainage. Total cost of project \$2,002.27.

Wolfeboro Hill Work

The catch basin and culvert headers at the foot of this hill were repaired. In this area both sides of the road shoulders and ditch were excavated, graded and hot topped. The road entrances to the private driveways were hot topped. Total cost of work \$1,138.96.

Cemeteries

The appropriation of \$2,350 included the following:

Estimated Revenue from Trustees of

Trust Funds	\$ 900.00
Lots other than perpetual care	1,450.00

Total Appropriation	<u>\$2,350.00</u>
---------------------	-------------------

In addition to the foregoing figures, \$523.22 was spent on further perpetual care work, which was reimbursed by the Trustees of the Trust Funds.

The total appropriation, plus income, amounted to \$2,977-.23, less expenditures amounting to \$3,610.47, left an overdraft of \$633.24.

B. REPORT OF THE SUPERINTENDANT OF SCHOOLS

To the School Board and Citizens of the Alton School District: I respectfully submit my first annual report as your Superintendent of Schools.

Computers, electronics, antibiotics, electromation, space age and many other such terms tend to identify the future which the youth of Alton will face. The rapid expansion of knowledge is unbelievable. As an example, in the early 1900's a single student textbook on basic science contained practically all the essential information known about the subject at that time. To cover the same material today would require a study of sixty-four books.

The students of today have a great deal more knowledge to acquire in order to become productive members of the community. It becomes necessary for schools to keep pace with the knowledge explosion and to give the student adequate preparation. To do this the schools require the support of the people of Alton.

At present, the Alton High School is attempting to provide the same educational opportunities as a large high school, except the Alton High School is the second smallest four-year school in the state. This is an expensive task, simply due to the sheer lack of enough students to economically support the offering of industrial arts, business education, etc.

How is it possible to economically meet the needs of the students who will be facing a future of technology beyond our imagination? The answer is not clear, but surely it is a question worthy of extensive study. It is fully realized that Alton has studied the possibility of forming a cooperative school district and voted against the recommendations submitted at that time. But there may be other solutions. If we are to continue providing the youth of Alton with the educational preparedness they need to compete in the future, it will become increasingly more expensive.

If our schools are to keep pace with the knowledge explosion we must adopt the techniques brought forth by advances in technology. As recent educational research points out, schools

must use entirely new approaches to the teaching and learning process if they hope to find a feasible way to stress the kind of inquiry which is meaningful to students faced with this wealth of information. The old time slate gave way to the McGuffey reader, the unskilled to the skilled, the horse to the locomotive. It is believed that you, the citizens of Alton, can face the problem openly to seek a solution for your youth, who so justly deserve a good start in life.

In closing, we solicit the support of parents, business men, citizens and all other agencies in our common effort to improve our greatest natural resource, the boys and girls of Alton.

Respectfully submitted,

Damon A. Russell,
Superintendent of Schools

C. REPORT OF THE ASSISTANT SUPERINTENDENT

To the School Board and the Citizens of the Alton School District;
It is with pleasure that I submit my first annual report.

After working seven months in this school district it is an opportune time to share with you who provide the financial support of the schools the impressions I have thus far.

The six elementary teachers in Alton are assigned to self-contained classrooms which have almost thirty pupils in each room. These teachers accept the assignment willingly, but in this situation children who are in need of individual assistance cannot get it as readily. Therefore, children are suffering educationally.

To offset the problem created by large classes the voters authorized classes in remedial reading and special education. These have been established and seem to be of assistance to both the children attending the classes and to those remaining in the regular classroom since the regular classroom has fewer children and fewer distractions.

If the voters of Alton would vote to accept Federal Aid either of the two programs mentioned in the above paragraph

could be supported with Federal monies. The "controls" imposed do not affect students. If there are any "controls" they affect only the persons involved in the time-consuming task of applying for the funds. We have all paid our Federal taxes and the government is going to spend several millions on education. It is unfortunate that Alton allow its share to be used by some other school district.

At the high school we are supporting teachers who instruct only twenty-nine children in a day. Some classes have from one to four children enrolled. In larger schools for the same \$5000 salary a teacher would teach five classes with approximately twenty children in each, or a total of one hundred children a day.

We offer only one foreign language, alternate chemistry with physics every other year, and have very limited math, social studies, and English offerings.

Probably the single problem deserving more attention than any other is the turnover of professional staff members. Of a total of twenty-two persons we employ eleven who are in their first year of teaching in Alton. This is not mentioned as a plea on behalf of teachers but rather a plea to lend continuity to your child's education. Reasons for this high rate of turnover should be defined and solutions to correct the problem implemented. Salaries play an important part, but there must be more than that taken into consideration.

The picture is not completely discouraging, however. Mr. Smith has provided very capable leadership as principal this year. We have some fine teachers on our staff. The citizens of Alton have had constructed a very nice physical plant.

This school district, like all school districts, seems to have come a long way toward providing quality education. But like all the districts we have not yet reached the point where we can sit back and rest on our laurels. Much remains to be done, and I am sure that through the cooperative efforts of all concerned, further strides in the right direction can be taken.

Respectfully submitted,

James J. Cusick,

Assistant Superintendent of Schools

REPORT OF THE ALTON HIGH SCHOOL PRINCIPAL

I am taking this opportunity to report to the citizens of Alton regarding the New Hampshire State Department of Education's visit to Alton Schools, concerning state building aid.

On January 31, 1967, I was visited by Mr. Ira Stickney, Consultant Administrative Services and Mr. Charles H. Marston, Consultant Secondary Schools Service of the New Hampshire State Department of Education. They were here to inquire about:

- a. curriculum
- b. buildings and grounds

so that another re-evaluation of Alton's building Aid could be conducted.

Upon investigation of our school plant and curriculum, the following commendations were voiced:

- a. good teacher-student ratio in classes
- b. excellent facilities

The following recommendations were voiced by the committee to be followed later by written recommendations.

We do not meet the New Hampshire State Department of Education's requirements for a comprehensive high school in the following areas:

- I We presently offer thirteen subject areas in the Practical Arts area; the New Hampshire State Department of Education requires us to offer fourteen preparations, ten units in any given year.
- II At the present time, we have twelve courses that alternate every other year; the New Hampshire State Department of Education only allows ten alternating courses in their standards for a comprehensive high school.

In order to meet the requirements as established by the New Hampshire State Department of Education, Alton School District would have to do one of the following, in order of preference:

- I Hire an additional teacher to instruct the three courses as indicated in the above recommendations. A Practical Arts course as determined by our needs (probably in the Home Economics area). Eliminate two alternating courses and establish them to be given every year.
- II Hire a teacher who will instruct predominantly in the Physical Education area for Grades 7-12 and have this individual instruct the three courses as defined by the New Hampshire State Department of Education. This, of course, is the second choice (in order of preference) because it is desirable that we have a Physical Education program for Grades 1-12.
- III Eliminate three "B" tract courses; for example, we offer two classes each year in United States History (A and B groups). By combining these two, we could free one class period per day. This type of arrangement would have to be accomplished with three different subjects in order to meet the New Hampshire State Department of Education's minimum requirements. This type of program can only be accomplished with the permission of the New Hampshire State Department of Education because our total course offerings in academic and general areas would not be sufficient. If the third choice were selected as a possible solution, it would also require investigation into meeting the requirements of a comprehensive high school as stated in the New England Association of Colleges and Secondary Schools.

In conclusion, the Alton Central School can meet the requirements but, at this point, I must emphasize that these are the **minimum** requirements for a comprehensive high school.

Respectively submitted,
(Signed) RICHARD N. CILLEY

Memorial Day

SCHOOL WARRANT

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School district in the town of Alton qualified to vote in district affairs:

You are hereby notified to meet at the High School Gymnasium in said district on the eighteenth day of March 1967, at 2:00 o'clock in the afternoon, to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agent of the district.
6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.
8. To see what sum of money the district will vote to raise and appropriate for the support of schools, for the salaries of school district officers and agents and for the payment of statutory obligations of the district.
9. To see if the District will vote to accept the provisions of Title I of Public Law 89-10 (89th Congress) designed to improve educational opportunities with particular reference to children of low-income families, and to appropriate such funds as may be made available to the District under said Federal Act for such particular projects as may be determined by the School Board. Further, to see if the District will authorize the School Board to make application for such funds and to expend the same for such projects as said School Board may designate.
10. To see if the District will vote to provide physical education instruction as a regular part of the Alton School System and raise and appropriate the sum of \$5200.00 to implement

the same. (Not recommended by Budget Committee)

11. To see if the District will create a cooperative school district planning committee and to elect the members thereof or determine that they may be appointed by the Moderator.

12. To see if the District will vote to raise and appropriate a sum of \$1800 to establish a contingency fund to meet the cost of unanticipated expenses that may arise during the year. (Recommended by Budget Committee)

13. To see if the District will authorize the School Board to make application for and receive in the name of the District such advances, grants-in-aid, or other funds for educational purposes as may now or hereafter be forthcoming from the United States Government, the State of New Hampshire, or any Federal or State Agency.

14. To transact any other business which may legally come before said meeting.

Given under our hands at said Alton this 27th day of February 1967.

Elliot W. Burbank,
Rawland E. Dore,
Marion L. MacDonald,

School Board.

A true copy of Warrant—Attest:

Elliot W. Burbank,
Rawland E. Dore,
Marion L. MacDonald,

School Board.
